Warranty on Cosmoplast PE-X Pipes and Brass Fittings

Cosmoplast Industrial Co. L.L.C. manufactures the PE-X pipes at its factories in United Arab Emirates, in accordance with set international standards or specific customer specifications.

Cosmoplast Industrial Co. L.L.C. guarantees that its Pipes Fittings are free from manufacturing and material defects. In witness hereof, Cosmoplast issues this warranty for the system of Cosmoplast PE-X pipes and Brass Fittings which shall be valid for a period of **ten years starting from the date of TOC.**

Cosmoplast also guarantees that the system of Cosmoplast PE-X pipes and brass fittings is expected to live for at least 50 years of continuous operation as long as the recommended working conditions are as recommended in its catalogues.

However, Cosmoplast will not accept, and will not be held liable or responsible for damage to these products, or any consequential losses under the following conditions:

1. If working conditions are different than those prescribed in its catalogues.
2. If the components are used in installations where the fluid is not compatible with the material as per the related international standards.
3. In case of poor or inappropriate storage.
4. In case of poor or inappropriate installation, use, or operation.
5. If brass fittings from other suppliers are used along with Cosmoplast pipes.

Warranty Coverage:

This Warranty is limited only to the replacement of the material with manufacturing defects. Cosmoplast will not be liable for any direct or indirect consequential losses or damages.
